HOLIDAYS HOMEWORK
CLASS IV
SESSION 2019-20

Happiness is here and now

I have dropped my worries!

Somewhere to go ...

Something to do ...

But, I am not in a hurry!

Summer Vacation is a time to exhilarate and rejuvenate oneself... It's a break from alarm clocks, all the hustle-bustle of the daily routine. It's time for fun, frolic, going for morning walks with family, playing for longer hours with friends, going for picnics, exploring new places and watching your favourite shows and movies. But there is a lot more that can be done to make vacation more interesting and meaningful. In order to facilitate learning and to develop regular study habits in children, we send this Holiday Homework for them. This homework in the form of worksheets and assignments has been designed keeping in mind the long break so that our learners stay connected to the ongoing process of learning. Children should be encouraged to sit for an hour at a time to concentrate on a given task on regular basis. This will keep them engaged throughout the holidays as well as keep the enthusiasm alive for completing the work. The work is to be done neatly and submitted to the teachers after the vacation.

Wishing you all a very enjoyable and fun-packed summer break.

Regards
