PARENTAL CIRCULAR-CLASS X STREAM OPTIONS FOR CLASS XI, SESSION 2021-22

Thursday, 3 December, 2020

Dear Parent

Warm wishes for a happy and prosperous new year with a hope that the forthcoming year brings all the joy back in our lives!

You are well aware that the students have to opt for a stream of their choice at the Senior Secondary level. The school offers three streams – Science, Commerce and Humanities. Kindly exercise your choice of stream for the academic year 2021-22 in the link provided below by 10 January, 2021.

Keeping in view the current scenario, the provisional allocation of the stream in the next session will be decided by the school authorities on the basis of results of Pre Board Exams and Class IX, 2020 Annual Result. A list of marks will be made in descending order to decide allocation of the stream as per the minimum requirement and depending on availability of seats.

Kindly ensure that your ward is regular in studies and works hard to perform well in the ensuing Class X Pre Board Exam starting in December, 2020 in order to get the stream/subjects of his/her choice.
