PARENTAL CIRCULAR CLASS 12

Interactive Online Session

Monday, 11 January, 2021

Dear Parents

Wishes for a very happy, healthy, prosperous and blessed New Year!

Our students of Class XII presently stand at an important threshold which will determine the course of their future. At SPS, we stand by our commitment to equip them in every possible manner to chalk out their forthcoming prospects.

Keeping in view the present scenario, our major objective is to facilitate and strengthen the learning regime of our students for the forthcoming Board Exams- schedule for which has partially been decided by the CBSE.

In order to ensure students, even in these unprecedented times are, able to do their best, we are starting **Revision Schedule** from **Monday, 11 January 2021 from 8:30 a.m. to 11:30 a.m. daily**, the details of which have already been uploaded. Each Revision block will end with a **Revision Test** of the Content taught. The performance of the students will be accumulated and reflected in the Annual Internal Assessment as per the guidelines issued by CBSE. Since the lockdown situation made it impossible to physically conduct laboratory practicals and hence they were conducted through online demonstrations, this revision performance will be vital and will be taken into consideration for all assessments.

We request you to ensure that your ward attends these Revision Classes with utmost regularity and sincerity as his/ her performance in these classes will improve his/ her prospects in Annual Internal Assessment.

We know that students are eager to be back in school and we too want them back in our fold. However, we must together wait for instructions from the Government to this effect. Till then we request you to continue to monitor students at home.

With this perspective, we invite you to an Interactive Session with Principal Dr. (Mrs.) Ravija Prakash as per the given schedule:

Date: 16 January 2021, Saturday
