## PARENTAL CIRCULAR CLASSES 9 AND 11 OPTION FOR ANNUAL EXAMINATION

Dear Parent

The School Administration always has the best interest of students in mind and we assure parents that all Covid protocols are strictly followed in school.

Vide School Circular N79 dated 13.2.2021, issued as per guidelines of CBSE's Circular No. CBSE/COORD/2021 dated 11.2.2021, information was given that Annual Examination for Classes 9 & 11 will be conducted OFFLINE. This was also done keeping in view that life must slowly return to normal - all over the country and in Delhi too; students are slowly returning back to school. All CBSE Board exams are also being conducted in the Offline mode and when our students face Board exams next year, they too will have to appear for written examination - something they lack practice in.

Offline examinations are a perfect way to return to normalcy as they provide an opportunity to the students to genuinely assess their academic prowess. We are all aware that OFFLINE Exams have been and will always continue to be the true test of academic brilliance notwithstanding the Pandemic condition.

However, taking into consideration the concerns of a few parents regarding Offline Exams in the prevailing Pandemic conditions, kindly exercise your choice of whether your ward will opt for ONLINE or OFFLINE Examination by clicking on the link provided below by **10:00 a.m. on Monday, 15 February 2021 positively.**

We, at SPS, once again assure you that if required, Offline academic guidance will be provided by the concerned subject teachers and that all the protocol for CAB (Covid Appropriate Behaviour) will be followed strictly within the school premises.

Best wishes to all students for the upcoming Annual Examinations.
