## **ADVISORY**

Tuesday, 31 March, 2020

Dear Parent

The wellbeing of you and your children continues to be of paramount importance to us. The Corona virus epidemic- the cause of everyone's anxiety - has created conditions under which, specifically on the issue of Social Health and Preventive Guidelines by the Central and State Governments, Govt. of NCT of Delhi, everyone must stay at home. The School Management would like to inform you that though the academic session 2020-2021 was scheduled to start from 1 April, 2020, in view of the prevailing circumstances the physical presence of the students and staff is not possible within the school premises till further directions of the Government. Hence, the school management seeks your cooperation in ensuring not only the health but security of our children also. It is an appropriate time to engage them in positive and scholastic activities.

During this period sit back, ponder, reflect and plan things that were shelved for the day when we would have more 'free time'! Well! Now is that time. Spend quality time together; do things together.

So remain at home and do creative exercises with your wards. Play lots of Board games, read books (and Kindle), tinker, recycle with household junk, etc.

To make this task easier, links of informative educational websites are being shared.

1. If your family enjoys Audio books, Amazon's Audible (which is usually a paid app) has made it free for anyone to use due to the Covid-19 situation world-over of being confined at home.

There are a lot of good books on Audible that are useful for all age-groups. Do check them out and enjoy your time at home. Since most of the kids are at home, sharing the awesome lists with them can help you enjoy with your time in an educationally constructive manner.

2. Following You Tube Channels will be helpful:

- Science Channel
- SciShow Kids
- National Geographic Kids
- Geography Focus

- Geography Focus India
- The Brain Scoop
- Kids Learning Tube
- Science Max
- Crash course kids
- Free school

### 3. Some resources to help with kids at home:

- Scholastic has created a free learn-from-home site with 20+ days of learning and activities.  
<https://classroommagazines.scholastic.com/support/learnathome.html>
- Pretend to travel the world. Go on a virtual tour of these 12 famous museums.  
<https://www.travelandleisure.com/attractions/museums-galleries/museums-with-virtual-tours>
- This is the amazing free curriculum. Everything from preschool activities to 12th grade is here!  
<https://allinonehomeschool.com/>
- List of thinking games by grade: <https://allinonehomeschool.com/thinking/>
- Other free learning websites that can be browsed:

Friends, at this critical juncture, we pray for the complete well-being of each one of us and take this opportunity to thank and express our immense gratitude to those risking their lives to keep us safe!

Stay at home, be safe.

Principal
